

Limited Warranty Information (For Consumers)

This warranty begins on the date your Luxe Protection Films product is installed. This warranty is valid only for the original owner who had the product installed by an authorized installer and is not transferable if the vehicle is sold or ownership is transferred.

Luxe Protection Films products are engineered for reliability and durability. The warranty lasts for 10 years from the installation date for select products, and 5 years from the installation date for others as specified at the time of installation. The warranty period is not extended if a product is replaced or if the film is removed and reinstalled by you or any third party after the original installation.

If you notice the film peeling off immediately after installation, please return to your original authorized installer within their inspection warranty period
